

TELUS SKY 685 Centre Street South

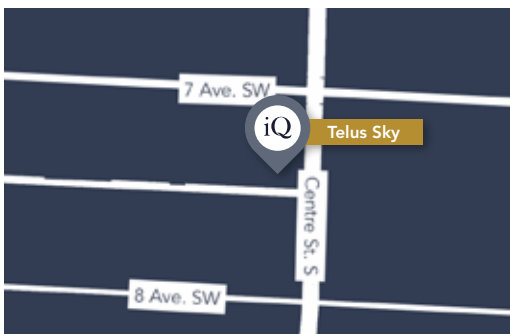

This revolutionary building in downtown Calgary, designed by famed Danish architect Bjarke Ingels, represents an intersection of technology and creativity specifically designed for the modern world. TELUS Sky provides an environment of boundless inspiration through innovation.

THE BUILDING

The TELUS Sky building is a 58-storey mixed use office, retail and residential tower positioned in an optimal location at Centre St. and 7th Ave. By providing convenient access to LRT, the public transportation network and vibrant new retail, this LEED Platinum certified building will equip you with everything you need to navigate your days in downtown Calgary with ease.

THE AMENITIES

- Double height, glass encased lobby, with 11-storey vertical atrium and wall garden
- State-of-the-art fitness facility
- +15 connected
- "Northern Lights" art installation by Douglas Coupland
